

MAJESTY PROTECTION FIRM LLC

VETERAN-LED SECURITY · DCJS LICENSED · SBA-CERTIFIED SDVOSB

Virginia-licensed private security firm led by a U.S. Army Military Police veteran, delivering disciplined, professional security officer services and security assessments for federal, commercial, and institutional facilities across Hampton Roads and the Mid-Atlantic.

CORE COMPETENCIES

- **Professional security officer services** — federal and commercial facilities; entry and visitor control
- **Security vulnerability & risk assessments** — site surveys, physical-security gap analysis, written findings and recommendations
- **Security plans & post orders** — post-order development, incident reporting, officer SOPs
- **Facility access & perimeter control** — entry points, badging support, vehicle and pedestrian screening
- **Emergency response coordination** — de-escalation, law-enforcement liaison, incident documentation
- **Compliance-driven operations** — DCJS Compliance Agent oversight of every post, registration, and training record
- **Facility support services** — custodial, grounds and post-construction cleaning for federal installations
